Stamp the 3-3/4" x 5" piece of Whisper White cardstock with Calypso Coral Classic Ink Pad. . Adhere the Curtain Folded Succulent Garden Designer Series Paper with Fast Fuse Adhesive. Wrap a 5-1/2" piece of White Organza Ribbon around the front, and between the Succulent DSP and the White White cardstock by adhering the two ends to the back of the cardstock. Adhere the Whisper White cards you stamped with the greeting on top of the Calypso Coral cardstock with Fast Fuse Adhesive. Now adhere the Calypso Coral layer to the Old Olive Cardstock care base using Fast Fuse Adhesive. Using a 4" piece of Organza White Ribbon to the ribbon across the front, making a knot. Add a few Glue Dots to the back of the know to ensure it doesn't move once you have the knot just the way you like it.

Using some scrap pieces of Old Olive, Mint Macaron, Calypso Coral, and Succulent Garden DSP scraps, and run the Succulent Framelits through the Big Shot to create a bunch of fun flower layers. Stamp the stems and grass lookign stamp onto Old Olive Cardstock with Old Olive Classic Ink Pad, and run with the matching Succulent Framelits throught the Big Shot. Piece together the flower to your liking with some Glue Dots onto the card front. Add your greenery where you believe it will look nice. Lastly, adhere a small Metal Rimmed Pearl on top of your flower.

Walla, your done!

I am finally (and hopefully for another year), over my bad cold, and I believe will not sound nasaly anymore, so will work on the Vidoe Tutorial showing you exactly how to cut that adorable Curtain/Drapery Fold. Sure "pimps up a card"!

"Blessings, and until the next time, remember to hug the ones you love, "none of us are promised tomorrow!
