

## Pocketful of Sunshine 3D Treat Holder

Using Dapper Denim Cardstock and Classic Ink, Stamp the Pocket and Stitching. Using the Matching Dies, cut out two pockets for each treat holder.

Take a 1" X 7 1/2" Strip of Dapper Denim Cardstock, and score at 2 1/4", 3 3/4", and 5 1/4". Adhere some Tear N' Tape to each side of the pockets, and using the 1" X 7 1/2" Dapper Denim cardstock begin adhering the pocket to each side, ensure you match up as best you can on each side.

I used the 1/8" hold punch on each side of the pocket, and ran a 9" piece of ribbon, tying and knotting on the inside of the pocket. Bling it up with some medium Basic Rhinestones, and you're done, enjoy!
