

Perennial Birthday Treat Box

Super quick, and fun treat box!

Cut a piece of Old Olive Cardstock at 6" X 5"

Score on the 6" side at $\frac{1}{2}$ ", 2-1/4", 3-1/4", and 5"

Score on the 5" side at 1", and 4"

Fold on all the score lines. Cut the first two boxes on the diagram above which are shown in Red Boxes. Next cut up to the first scoreline on each side with your Paper Snips.

On the attached diagram, I show where you will corner round the flap which will fold into the box, and you will remove about 1/3 of the first two flaps which will tuck into the box.

Ensure you add the Petal Garden Designer Series Paper to the sides of the box, and using the Sweet Sugarplum and Whisper White Cardstock to the top of the box.

I used a 1" Circle Punch to snip out a piece of the front from the box.

Add some Tear N Tape to the four (4) smaller squares on the box, and adhere the box together as shown. I like to adhere the two smaller tabs on the inside, and leave the larger tab on the outside. I added some cute Shreds from the Occasions Catalog, and some Candy Kisses too.

All products used on this cute project are listed below. If you have any questions, please do not hesitate to drop me an email, text, and leave me a comment on my blog.

Now your turn to go create something beautiful!
